Colorado Technical University

Commencement Ceremony

Saturday, November 23rd, 2013
CTU Graduation
Opening Video

Opening Music ............... Pomp and Circumstance
Sir Edward William Elgar (1857 – 1934)

CTU Graduate Highlights

Conferral of Graduate and Undergraduate Degrees

Provost’s Address .................... Dr. Constance Johnson
Provost and Chief Academic Officer
Colorado Technical University

CTU Graduation Closing Video

Graduate Chat Reception ............... CTU Administration, Faculty & Staff
Accessible on November 23rd, 2013
from 11 AM to 12 PM CDT only
TO THE MEMBERS OF THE CLASS OF 2013

Since 1965, CTU has been graduating students and it is an honor to welcome you to the ranks of our distinguished alumni. We could not be more proud to address the individuals assembled here today.

To those of you earning your first degree, way to go! You can now officially call yourself a college graduate! For those of you earning a second degree, congratulations on your continued success! And for those of you earning your graduate degree, hats off to you for the years of hard work and commitment it took to achieve this milestone.

At CTU you have utilized innovative technology through your course work and interactions on the Virtual Campus. As new or transitioning professionals, these experiences place you ahead of others in your career fields. You are part of a wave of new college graduates who have conquered the virtual world, pursuing your education on your schedule and from locations around the globe.

Before we proceed with our commencement ceremony, We’d like you to take a minute to think back to the days before you enrolled in your chosen program. Did earning your degree seem like a distant possibility? During your long hours of study, were there times when you wondered if you would ever get to the end?

As Dr. George Sheehan, New York Times bestselling author states, “Success means having the courage, the determination, and the will to become the person you believe you were meant to be.”

You have demonstrated your courage. You have shown your determination. You are well on your way to becoming who you were meant to be! Today, you are a graduate. Tomorrow, new
opportunities will present themselves to you.

Congratulations on your tremendous achievement. You have paved the way for a bright future. We are proud to call you a CTU Alum!

Colorado Technical University

Jack Koehn
President, Colorado Technical University

Stanley P. Mengel
President, Missouri Council on Economic Education (Ret.)

Michael Zawalski
Group President, Marlin Equity Partners
COLORADO TECHNICAL UNIVERSITY
MISSION OF THE UNIVERSITY

The mission of Colorado Technical University, an institution of higher learning, is to provide career-oriented education by teaching applied real-world, industry current programs in selected areas, serving the needs of students for employment and career advancement and the needs of industry for highly qualified professionals at the associate’s, bachelor’s, master’s and doctorate levels.

To achieve the mission, CTU will:

- Maintain its focus on learning and its commitment to continuous improvement of student learning and teaching effectiveness through systematic assessment and innovation in curriculum, delivery and service

- Use the CTU Professional Learning Model to foster ready-to-achieve learning experiences that result in demonstrated competencies; students are provided hands-on, industry-related, problem-solving experiences that model the professional environment and encourage achievements that lead to student and employer success

- Maintain an applied research and problem solving focus in the CTU Professional Learning Model to promote an educational background at all levels that promotes students to adapt to dynamic environments, become life-long learners as well as life-long contributors to themselves, their families, their profession, and our society
• Ensure high-tech is integrated with high-touch customer service; provide students with a sensitive and motivating environment of supportive services in career planning, academic advising, and financial and career services to enhance students’ probability of success

• Maintain current and relevant programs through active participation with the business community; this interaction is conducted through our advisory boards and faculty selection, and enables Colorado Technical University to identify and implement timely curriculum and equipment changes in selected programs

• Provide an environment that is conducive to professional growth, encouraging the faculty and administrative team to engage in scholarly and professional activities that support the university’s mission and the needs of its students, industry and the community

• Select faculty with demonstrated industry experience, advanced degrees and teaching qualifications to deliver industry-current education; provide on-going professional development, review, and certification, especially in fostering student success through teaching and support

• Recognize and support the diverse backgrounds and needs of its stakeholders and create an intellectual, cultural and social environment on campus and online in which the creative energy and variety of insights that result from diversity will strengthen the integrity, learning, and social fabric of the University.

Colorado Technical University maintains high scholastic standards for their graduates. By doing so, the graduates are ensured competitiveness in their careers.

For baccalaureate degree candidates superior academic work is recognized at graduation by the bestowal of Latin honors: for a Colorado Technical University cumulative grade point average (CGPA) of 3.90 and above, the degree is awarded *Summa Cum Laude*; 3.75 to 3.89, *Magna Cum Laude*; and 3.50 to 3.74, *Cum Laude*.

Associate degree graduates with a 3.50 to 3.74 Colorado Technical University grade point average (CGPA) will be recognized at graduation as graduating with *Honors*. A student graduating with *Highest Honors* graduates with a CGPA in the range of 3.75 to 4.0.

Masters level students must maintain a cumulative grade point average of 3.0 to remain in the Masters Program. Honors or highest honors are not assigned to graduate level students.
